# We are Your Partner in Healthcare Journey!

## Virtual Urgent Care

You can connect with a board certified doctor online in as little as 10 minutes from wherever you are by booking an appointment through your phone, tablet, or computer.

## Teletherapy

We have experienced, licensed tele therapists that help you attain good mental health, enjoy life & cope with life problems better. Book an appointment and let our team handle the rest.

## Dental Care

We have tens of thousands of dentists and specialists across the nation that have already agreed to provide you with lower prices for all your appointments and procedures.

WoW is a direct-pay marketplace that directly connects you with medical providers with steep discounts +

## Affordable Drugs

You can get upto 80% discount on your drugs through the WoW digital Pharmacy card which can be used in all the major drug stores nationwide.

## Vision Care

Our vision care membership that comes with the dental membership saves you hundreds of bucks on your ophthalmic exam, purchase of glasses, contacts and even laser vision correction.

## Appointments Online

You can search up doctors near you, view their profiles, and book appointments with them online. Our customer support stays in touch with you to ensure that the entire process is smooth .

# Large Medical Expenses

+ For managing unexpected, large medical expenses like surgeries, hospitalizations, ER, we have Health Sharing. Now you are partnered with a healthcare solution that will always take care of these expensive, unplanned, and unwanted charges.
